DANIHER'S DRIVE
VICTORIA - LET'S CURE MND

A FIGHT ~~MND~~ EVENT

OFFICIAL 2019
DRIVE PROGRAM

THANK YOU TO OUR 2019 DANIHER'S DRIVE PARTNERS

NICK THEODOSSI
PRESTIGE CARS EST. 1971

NEALE'S WELCOME

It gives me great pleasure to warmly welcome all participants to the 2019 Daniher's Drive, whether you are returning for another year or joining us for the first time.

I can't believe that we are already embarking on our fifth Daniher's Drive as it seems just like yesterday that the concept and event was initially created. We have had four amazing years 'on the road' and are looking forward to another one.

FightMND's famous 'road-trip' continues to go from strength to strength and the Committee has once again contributed countless hours of planning to ensure the 2019 event is one to remember.

In 2019, we welcome 13 new teams to the Drive while acknowledging the loyalty of 20 teams this year who have competed in all four previous Drives and are back for a fifth in October.

As in previous years, a number of Victoria's most beautiful and picturesque locations have been handpicked for community events, lunch locations and evening stopovers which are always highlights throughout the 4-day event.

There are three fun-filled nights planned, culminating in the Heroes and Villains 'theme-night' on the final evening in Mornington, to ensure that you have plenty of opportunities to enjoy together.

By fundraising and participating, you and your team have made a significant impact and contribution to the fight against Motor Neurone Disease.

With your support, we have been able to commit almost \$38m to world-leading MND medical research initiatives including, among others, 10 Clinical Trials and 10 Drug Development Projects in an effort to find effective treatments and a cure for MND. At this point in time, there is neither.

A big thanks to our Naming Rights Partner, Chemist Warehouse and our Partners Nick Theodossi Prestige Cars and PSC Insurance Brokers for such fantastic support.

On behalf of the Board and staff at FightMND and the 2019 Daniher's Drive Committee, I wish you a safe and enjoyable drive and thanks again for being part of all the fun this year.

Cheers,

A handwritten signature in black ink that reads 'Neale'.

Neale
Co-founder and Patron

FIGHTMND'S IMPACT

Since inception in 2014, FightMND has invested almost \$38m into world-leading Motor Neurone Disease medical research with a clear vision to find effective treatments and ultimately a cure for MND.

The investment includes committing funding to 10 Clinical Trials, 10 Drug Development Projects as well as a world-first drug screening platform, among others.

World leading researchers and clinicians believe that within five years, there could be more effective treatments for MND. We must continue to fundraise and commit the funds raised to the best and brightest researchers so we can achieve this.

With your support, this can be possible. We are now in the fight, we are starting to have a real impact on beating 'The Beast' now and the FightMND Army is playing a key role in that.

Where your money has been committed:

NAMING RIGHTS PARTNER

As Australia's largest pharmacy retailer, Chemist Warehouse has over 400 stores across Australia and New Zealand and employs almost 20,000 staff. Chemist Warehouse has been a key partner of Daniher's Drive since 2017 to 2018 and continues in 2019 as the event's Naming Rights Partner. The Chemist Warehouse 'Wellness Wagon' was a hit with participants last year and will be a feature of the convoy again in 2019.

PARTNERS

Once again in 2019, we have received incredible support from all our valued partners and we thank them for their involvement in the 2019 Daniher's Drive. Without the support of these organisations, staging this great event would not be possible so we thank them all for their invaluable support.

Major Partners

NICK THEODOSSI
PRESTIGE CARS EST. 1971

Since 1971, Nick Theodossi has been building his family-owned business into Melbourne's largest Prestige Car Company. Inspired by their Father's passion, the business now also involves Nick's four children - Dion, Kayne, Nicholas and Ebony.

Nick joined Daniher's Drive as a participant last year, and in 2019, has come on board as the event's major car partner, providing the major raffle prize and support crew vehicles.

PSC Insurance Brokers is a national insurance brokerage providing cost-effective insurance advice and solutions to small-to-medium businesses across all of Australia. PSC are dedicated to helping you protect your operations and assets through considered advice and the ability to leverage our scale with leading insurers and underwriting agencies. PSC Insurance Brokers have been on board with Daniher's Drive since 2016, and we thank them for their outstanding support.

Supporting Partners

FIGHTING 5

Last year, Daniher's Drive introduced a recognition award to acknowledge the top five fundraising teams for the event.

Every dollar counts and we are very grateful for everyone's efforts in raising any funds to help fight the beast. What we aim to do with the "fighting five" is recognise the contribution made by the five teams that have raised the highest amount of funds over the previous year.

This year, we acknowledge the highest fundraisers at the close of the 4th Daniher's Drive in 2018.

Collectively, the five teams listed below raised over \$360,000 for FightMND and have contributed over \$555,000 overall since they became involved in the event.

Congratulations to the following teams;

- Team Herman
- McCool Kids
- The Grasshoppers
- Les & Jules Crew
- Tassie Connection

While the Fighting 5 acknowledges top fundraisers, we extend our appreciation to all teams and all fundraisers and thank you for your contribution and efforts.

COMMUNICATION PROCESS & USE OF APP

Drive communications and briefings

It is important that all participants are continually communicated with and kept up to date with all the key and vital information while on Daniher's Drive.

Various communication channels will be used to communicate to participants throughout the event and the Drive Committee will liaise and communicate critical information and changes with captains to share amongst team members.

Morning briefings

Each morning, 30 minutes prior to the advertised departure time, a briefing will be conducted in the breakfast dining area, unless otherwise advised.

It is a requirement that **at least one member (preferably 1st designated driver for the day)** of each team is in attendance for each briefing.

The daily briefings will include information about changes to itineraries, expected arrival and departure times from stops, any known roadworks and expected delays, community events and any requirements of the teams before arriving at the nightly destinations.

Communications

Direct communications to all participants will be via text messages from the Drive Committee. These messages will be for key and time sensitive information about the event. The Committee team may communicate some information to team captains only.

Once a message has been sent to team captains, a follow-up message will also be sent via WhatsApp to alert all participants.

FightMND App

The app is back and will be available for downloading prior to the Drive. The app will feature information about itinerary, upcoming locations, accommodation, top fundraising teams, nightly events, auction items and push notifications sent for important general information that will make your experience the best experience possible. Make sure you download the free FightMND app from iTunes or Google Play prior to the Drive. We thank Infusion121 for developing the app.

SOCIAL MEDIA

Share your favourite memories of the 2019 Daniher's Drive through the various social media channels below;

Facebook

Twitter

@fightmnd

When posting on social media, please use **#DanihersDrive19** and tag us in **@FightMND** so that the social media team can recapture your special moments and share to the entire FightMND Army.

WhatsApp is encouraged to be used by participants among themselves to share images, videos, anecdotes and stories from inside and outside the cars.

Remember, have fun with social media, please be respectful to the reputation of FightMND, Daniher's Drive and your fellow participants when posting. FightMND reserves the right to request the removal of inappropriate social media posts.

MAJOR RAFFLE

The major raffle will be drawn at Mornington Racecourse in Mornington on Saturday, October 12 during the final night event of the 2019 Daniher's Drive.

NICK THEODOSSI
PRESTIGE CARS EST. 1971

This year's prize is a magnificent Mercedes Benz X-Class Pure X220d 4Matic kindly donated by our new major raffle partner, Nick Theodossi Prestige Cars. Thanks to Nick and his amazing team for this incredible support.

Prize valued at \$50,400.

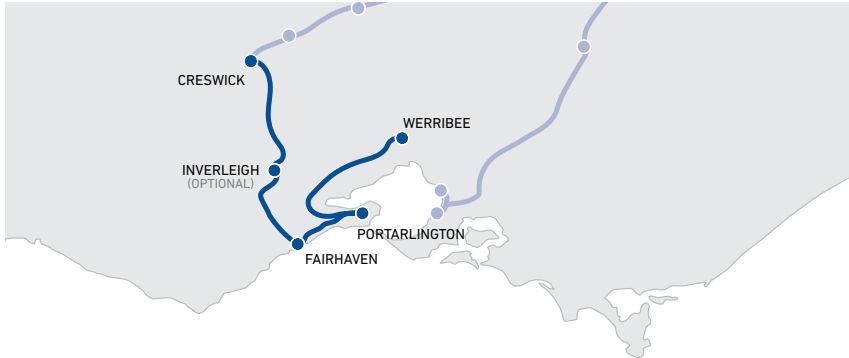

All sold and unsold tickets that teams have from the Drive must be handed in by lunch on day 2 in Heathcote.

If all the raffle tickets are sold, we will raise \$250,000 for further research projects into finding effective treatments and a cure for MND. We need your help to achieve this.

If you have any questions, please feel free to contact Lauren McKellar at lauren@fightmnd.org.au or 0439 314 388.

ITINERARY & ROUTE

DAY 3, OCTOBER 12

- Depart Wangaratta, heading out of town towards Melbourne
- **Note your GPS will direct you a different way to the notes as the quickest route is down the Hume Freeway – these notes are a slightly longer but more scenic drive.**
- Take M31 towards Melbourne and travel approx. 40km
- Take the 2nd Benalla exit and turn left onto the B300 towards Mansfield follow B300
- At a "T" Intersection turn right onto B300 towards Yea / Melbourne
- Follow the B300 towards Bonnie Doon, travel through Bonnie Doon to Yarak
- Just after Yarak swing right onto the C516 then the B340 towards Alexandra
- **The event at Alexandra is the last official event before dinner. These notes are a slightly longer way than the GPS will take you, however it is using better and easier roads. If you wish to use this route and your GPS first enter Yea, then from Yea enter Mornington. It is approximately 2hrs 20 minutes driving time to Mornington**
- Depart Yea and head back towards Bonnie Doon for 7km
- Turn left onto the B340 towards Yea and travel for 24km
- At Yea turn left onto the B300 towards Melbourne
- Coming into Yarra Glen you can either Bypass town following the B300 or at the round-a-bout take the third exit turning right following the C731 to go through the township of Yarra Glen
- **Note Yarra Valley Wine Festival is the weekend 12/13 October so please beware traffic may be heavier**
- Travel through Yarra Glen re-join the B300 towards Coldstream and Lilydale
- **Note – this route uses a TOLL road – if you don't have an "e-tag" or day pass you will need to work out an alternative route.**
- Just before Ringwood turn right towards M3 Eastlink (blue sign as a toll road)
- Be in the left hand lane towards M3 Eastlink to Dandenong (once you turn left towards East Link – you then need to move to the right lane of two to join East Link.
- Follow Eastlink to Exit 28, take Exit 28 and merge onto M11 Mornington Peninsula Freeway towards Portsea – stay in the right lane of the two exit lanes to join the M11
- Follow Mornington Peninsula Freeway, take Exit 17 – Bungower Road, turn Right onto Bungower Rd to Mornington, Make your way to Accommodation
- **Dinner 7pm, Mornington Racecourse. Bus transportation details TBA**

- Directions
- Notes

Thanks to our event sponsor

A FIGHT **MND** EVENT

NICK THEODOSSI
PRESTIGE CARS EST. 1971

ITINERARY

DAY 4, OCTOBER 13

9.30AM TO 11.00AM
BRUNCH, PRESENTATIONS
AND FORMAL CLOSING OF
2019 DANIHER'S DRIVE.

The Ranelagh Club,
 3 Rosserdale Cres, Mount Eliza.

This event will be a stand-up style event
 and participants are required to wear their
 2019 Daniher's Drive polo shirts.

*Teams to depart at their leisure,
 no formal group departure.*

- These notes are from the Corner of Bungower Road and Nepean Highway Mornington
- Enter Nepean Highway travelling towards Melbourne
- Continue along Nepean Highway for approx. 4 KM, the highway becomes 3 lanes, stay in the left lane
- At the traffic lights just before the footbridge turn left into Mount Eliza Way (Blue sign pointing to Mount Eliza Village) Travel approx. 900m on Mt. Eliza way
- At the round-a-bout make a left turn (first exit) into Winborne Avenue, travel approx 200m
- At the next round-a-bout make a right turn (third exit) into Wimbledon Avenue travel approx 1.2 km and merge onto Ravenscourt Cres – i.e follow the main road. You are traveling downhill and there is a large hedge on your right, here you turn right into Rosserdale Crescent
- The driveway for Ranelagh Club (3 Rosserdale Crescent, Mt. Eliza is on your left next to the red mailbox

RISK & RESPONSIBLE BEHAVIOUR POLICY

FightMND's reputation forms the cornerstone of its efforts to fundraise and in turn support people in the fight against MND, something we are extremely proud of. FightMND aims to establish safe event environments free from the adverse effects of unsocial behaviour, excessive alcohol consumption, unlawful discrimination & sexual harassment. FightMND seeks to maintain a high level of professionalism, safety and respect towards all people, at all times. The Daniher's Drive Risk & Responsible Behaviour Policy is aimed at ensuring that the Drive is a safe and fun environment, by educating persons on expectations and minimising behaviours and conditions that could lead to personal injury, injury to others or inappropriate behaviour of any kind.

Application:

The Policy applies to all drivers, passengers, support teams, staff, Foundation Board members, Daniher's Drive committee members, sponsors, ambassadors and other persons attending Daniher's Drive events – known collectively for the purpose of this Policy as "participants". A full risk assessment has been completed for 2019 and in the event of a serious incident involving a drive participant, member of the public or damage to any property, a set of Critical Incident Protocols will be enforced and these protocols are listed below in the policy.

Expected Behaviours:

- All participants have a responsibility to take reasonable precautions for their own safety, health and that of others at all times.
- All participants are expected to behave in such a way that the Daniher's Drive is free from inappropriate behaviour. This includes excessive alcohol consumption such that behaviour becomes hazardous to themselves or others, aggressive or violent behaviour, harassment or sexual harassment of Drive participants and others.
- All participants must be within the legal Blood Alcohol Concentration (BAC) limits when driving and note which type of licence they have as BAC limits differ depending on licence type. The standard BAC in Australia is 0.05 – more useful information can be found at drinkwise.org.au
- The event team ensures a supply of breathalysers that participants can access to ensure all persons are driving under the BAC limits at all times. Drinking diminishes concentration and coordination and all participants are encouraged to check their BAC before every drive.
- All participants must treat all other participants and members of the broader community with respect, courtesy and avoid all types of abusive language at all times.
- All staff and participants should notify Geoff Vickers immediately of any inappropriate behaviour, incidents that they feel are dangerous or could lead to an adverse outcome and/or dangerous driving during the event.
- Should a participant be found engaging in any behaviours listed in this policy or inferred by the nature of the policy, that participant and their team may be asked to leave the Drive immediately and may be banned from future Daniher's Drive and FightMND events.
- Team captains are responsible for the behaviour of their team members at all times.

Critical Incident Protocols:

In the unlikely event of a reportable or criminal incident on the Drive:

- 1) Refrain from speaking to the media. Refer all persons asking questions to the FightMND Communications Manager Andrew Holmes or Drive Media Liaison Ian Cohen. The standard media response should be "I am not aware of the facts, it is best you speak with our media team ". If you are repeatedly asked for comment, please repeat the above statement as many times as you need.
- 2) If anyone beyond or outside the media is seeking details about an incident, please refer them to Geoff Vickers, Risk Manager or Penny Collins, Drive Car Liaison.
- 3) If a member of the public approaches you following a critical incident, please avoid making any commitments on behalf of the event organisers, our Risk Management Committee will decide on the best course of action.
- 4) In the event of a critical incident, please avoid making or posting any comments or photos on any form of social media. Remember if an incident is serious enough to warrant police investigation, any comments you make on social media may become evidence or implicate you in the incident.

Vehicle and driver requirements:

- Meeting minimum fundraising targets must be achieved
- It is a requirement that your vehicle is thoroughly checked prior to the event.
- It is a requirement that each team has a member with roadside assistance cover.
- Each team is responsible for their vehicle repairs during the event.
- NB: common parts may not be available in every area that the Drive route goes through, you should consider carrying any mechanical items that are specific to your vehicle.
- It is recommended that each team has at least one Telstra mobile (there will be areas without any mobile phone signal).

Team drive pre-requisites:

- All participants must be at least 18 years of age.
- Entry fees and levies must be paid in full prior to the event as per entry forms.
- All drivers must have a current driver's licence.
- All vehicles must be roadworthy and registered in Australia.
- All vehicles must have comprehensive or third -party insurance cover.

Event route and driving rules

- The Drive course has been set by the Drive Committee and will not be taking the most direct route between destinations.
- Teams must follow the instructions of the Drive Committee at all times.
- The Drive is neither a race nor a time trial. Speed limits must be obeyed at all times.
