DANIHER'S DRIVE

A FIGHT MND EVENT

DANIHER'S DRIVE BOOKLET 2022

OCTOBER 13-16, 2022 | MYRTLEFORD | LAKES ENTRANCE | WARRAGUL

NEALE'S WELCOME

WELCOME TO THE SIXTH DANIHER'S DRIVE

On behalf of the Drive Committee and everyone at FightMND, I am thrilled to welcome you to this year's long-awaited Daniher's Drive.

With COVID-19 restrictions derailing our famous convoy for two years running, we couldn't be more excited to get back on the road for what will be an unforgettable trip through Myrtleford, Lakes Entrance and Warragul.

What better opportunity to 'Play On' and support these resilient regional communities as they recover from the impact of bushfires and COVID lockdowns.

Our volunteer Drive committee has worked tirelessly to deliver four days of fun-filled events with plenty of opportunities to come together, celebrate and reconnect. It'll be a special moment to have the sixth Drive finally depart from Daniher's Way at the MCG.

This year, we welcome 11 new teams to the Drive family and acknowledge the dedication and loyalty of the 32 teams who are returning for their fifth or sixth drive.

Thanks to your support, Daniher's Drive can keep doing what it does best - raising awareness and vital funds for the fight against Motor Neurone Disease (MND), all while sharing plenty of laughs along the way.

Since our first event in 2015, the Drive has helped raise more than \$10 million for FightMND – it's a huge achievement and something we can all be proud of. These funds are already hard at work, supporting clinical trials and drug development projects that provide hope for people living with MND.

Combined with funds from a record-breaking Big Freeze 8, proceeds from this year's Daniher's Drive will enable FightMND to make ongoing investments in both research and care initiatives to improve the lives of those living with MND.

I couldn't miss an opportunity to say a heartfelt thank you to our returning Major Partner Chemist Warehouse who, after the Drive was cancelled for the second year in a row, rallied together and raised more than \$386,000 for FightMND last year. We are very grateful for their ongoing support and are proud to have them join us on the Drive again this year.

I am also excited to welcome our new National Raffle Partner, Jayco to the Drive family with the generous donation of a top-of-the-range Jayco caravan that has proven a very popular raffle prize.

We couldn't run the Drive without the support of our incredible partners which also includes PSC Insurance Brokers, Bayside Coaches and CMV Truck and Bus.

From all of us at FightMND, I wish you a safe journey and thank you for helping make the 2022 Daniher's Drive one to remember.

Cheers,
Neale Daniher

FIGHTMND CEO DR FIONA MCINTOSH WELCOME

The wait is finally over, we're about to embark on the sixth Daniher's Drive.

This will be my first Daniher's Drive and after hearing many stories, it's fair to say that I'm both equally excited and nervous about my ability to keep up with the celebrations. But don't worry – my costume for the final night is already in the works.

Having grown up in Gippsland and attending school in Sale, I'm particularly looking forward to showcasing some of my old stomping grounds as part of the route.

With all the fun that comes with the Drive, I know that the fight against the Beast is never far from our minds as so many of us have been touched by MND.

For me, it was my cousin. Diagnosed with MND, the progression of his disease was quick – he went from living a full life to only being able to communicate with his eyes within 12 months. He died shortly after, well short of the 27-month life expectancy for someone living with MND.

Our Drive family has proven time and time again that they are determined to 'Play On' (and 'Party On') in the fight against MND. We remain united by a common purpose – to rid the world of this beast and we won't stop until we do.

From all of us at FightMND, I'd like to thank you for your extraordinary fundraising efforts over the past three years. Your creativity and commitment never fail to inspire us.

I'd also like to take this opportunity to recognize the efforts of our volunteer Drive committee – Neale, Jan, Geoff, Clare, Coza and Penny – who, despite every hurdle, have worked tirelessly behind the scenes to make the Drive a reality. I'd also like to thank Carolyn Dance, Sally McDougal and Julie Teague, our brilliant volunteer events team - I have no doubt they've got plenty of fun surprises in store.

To our partners and sponsors – Chemist Warehouse, PSC Insurance, Jayco, Bayside Coaches and CMV Trucks and Buses – thank you. We couldn't run the event without you.

It will take an army of people to defeat this Beast, but with the Drive family in our corner, I know that MND doesn't stand a chance.

Thank you for joining us in the fight. I look forward to celebrating with you all, in-person, this October.

FIGHTMND'S IMPACT

MND is a Beast. Today, two Australians will die from MND and two more will be diagnosed. There is no effective treatment and no cure – yet. Together, we can change this.

Research remains our best weapon in the fight against the Beast. Every dollar raised, takes us another step closer to finding a cure and improving the lives of those living with MND.

To date, FightMND has invested more than \$55.9 million into MND research. Our investments include 12 clinical trials and 22 drug development projects. It's projects like these that will help us find more effective treatments and ultimately a cure, sooner.

People living with MND now have more opportunities to participate in research or clinical trials throughout Australia. It is further proof of the accelerating progress we are making to find effective treatments and a cure for MND.

We are also committed to improving the lives of those fighting the disease. FightMND has invested more than \$6.9 million into vital care equipment for Australians living with MND.

Funds raised through Daniher's Drive will also help deliver our new care strategy which includes the development of national standards of care, care-focused research and targeted in-home support for people living with MND and their families.

It is the courage of those living with MND and those we have lost that never fails to inspire us.

We know how personally devastating MND is and thanks to the help of the Drive family, we are united in our determination to fight back and win the battle against the Beast.

MAJOR PARTNER

Chemist Warehouse is proud to be a long-time supporter of FightMND in their mission to champion hope and rid the world of MND.

As Australia's largest pharmacy retailer, Chemist Warehouse has over 475 stores across the country and is honoured to have been the major partner of Daniher's Drive since 2017.

WELLNESS WAGON

The Chemist Warehouse Wellness Wagon will once again be on hand to keep the Drive teams feeling fresh and energised along the route. Keep your eyes peeled for Wally who will be making some special appearances too!

NATIONAL IN-STORE FUNDRAISER 13 OCTOBER — 30 NOVEMBER

Last year, thanks to the support of the team and customers at Chemist Warehouse, their national in-store fundraiser helped raise more than \$386,000 for FightMND.

We are thrilled to announce that this year's Chemist Warehouse national in-store fundraiser is back, running from 13 October to 30 November. All funds raised will go towards research, clinical trials, and help improve the lives of Australians living with MND.

Encourage your family and friends to drop into their local Chemist Warehouse store and help make this year our biggest fundraiser yet!

PARTNERS

Daniher's Drive continues to receive incredible support from all our valued partners, and we thank them for their involvement.

SUPPORTING PARTNER - PSC INSURANCE

PSC Insurance Brokers are a national insurance brokerage providing cost-effective insurance advice and solutions to small-to-medium businesses across all of Australia. PSC Insurance Brokers have been on board with Daniher's Drive since 2016, and we thank them for their outstanding support.

NATIONAL RAFFLE PARTNER - JAYCO

For the first time, Jayco, Australia's most popular brand of RVs and caravans, have stepped up to help Drive teams raise funds by generously donating a Jayco Starcraft Bushpack Caravan 2022 valued at \$61,990 (RRP) as the major prize for the Daniher's Drive Jayco raffle.

Jayco will also be participating in the Drive for the first time, so let's make sure we make them feel extra welcome.

EVENT PARTNERS

CMV TRUCK & BUS

A family-owned and operated business that specialises in the sale and service of commercial vehicles and has been operating since 1934.

CMV Truck and Bus has been a partner of Daniher's Drive since 2019 and we are thrilled to have their support for the Drive this year.

BAYSIDE COACHES

Established in 1995, Bayside Coaches have grown to be one of Melbourne's largest and most respected charter-only coach companies.

As a returning partner of Daniher's Drive, we look forward to welcoming back Bayside Coaches and thank them for their continued support of the Drive since 2017.

MORNING BRIEFINGS

Each morning, 30 minutes prior to departure, a briefing will be conducted in the breakfast dining area, unless otherwise advised.

It is a requirement that at least one member (preferably the first designated driver for the day) of each team attends.

The daily briefings will include information about changes to itineraries, expected arrival and departure times from stops, any known roadworks and delays, community events and any requirements of the teams before arriving at the nightly destinations.

COMMUNICATIONS

Direct communications to all participants will be sent via text messages from the Drive Committee. These messages will be for key and time sensitive information about the event.

The Committee may communicate some information to Team Captains only.

Once a message has been sent to Team Captains, a follow-up message will also be sent via WhatsApp to alert all participants.

RESPECT AND RESPONSIBILITY

All participants are encouraged to share images from the event but please ensure that all posts are respectful and adhere to FightMND's social media community guidelines.

PRIORITISING YOUR HEALTH

FightMND prioritises and values the health and safety of everyone involved in the Drive.

As a result, precautions will be implemented across Daniher's Drive to ensure the safety of our participants, team and guests.

All affiliated Drive events will comply with relevant government-mandated COVID-safe measures at the time.

PREVENTION IS THE BEST PROTECTION

Anyone can get sick, but some people are more vulnerable to severe illness if they have existing health problems or are older.

On the Drive, we can all take steps to protect ourselves, our loved ones and the wider community.

- All Drive participants must be vaccinated against COVID-19.
- All Drive participants must provide a negative COVID-19 test 48-72 hours before departure on 13 October.
- Wear a face mask indoors where appropriate.
- Let fresh air in - you are less likely to catch COVID-19 with good ventilation. Consider driving with your windows open.
- Practice good hygiene, especially around food.
- Stay home if unwell - if you have any symptoms to COVID-19, it's important you stay home and test.
- If you have COVID-19 symptoms, get tested and isolate.

If you do test positive or feel unwell at any time during the Drive, please contact one of the FightMND team or any member of the Committee.

RISK AND RESPONSIBLE BEHAVIOUR POLICY

FightMND's reputation forms the cornerstone of its efforts to fundraise and in turn support people in the fight against MND, something we are extremely proud of.

FightMND aims to establish safe event environments free from the adverse effects of unsocial behaviour, excessive alcohol consumption, unlawful discrimination and sexual harassment.

We seek to maintain a high level of professionalism, safety and respect towards all people, at all times.

The Daniher's Drive Risk and Responsible Behaviour Policy is aimed at ensuring that the Drive is a safe and fun environment for everyone, by educating persons on expectations and minimising behaviours and conditions that could lead to personal injury, injury to others or inappropriate behaviour of any kind.

APPLICATION

The Policy applies to all drivers, passengers, support teams, staff, Board members, Daniher's Drive committee members, sponsors, ambassadors, and other persons attending Daniher's Drive events – known collectively for the purpose of this Policy as "Participants".

A full risk assessment has been completed for 2022 and in the event of a serious incident involving a drive participant, member of the public or damage to any property, a set of Critical Incident Protocols will be enforced and these protocols are listed below in the policy.

EXPECTED BEHAVIOURS

- All Participants have a responsibility to take reasonable precautions for their own safety, health and that of others at all times.
- All Participants are expected to behave in such a way that the Daniher's Drive is free from inappropriate behaviour. This includes excessive alcohol consumption such that behaviour becomes hazardous to themselves or others, aggressive or violent behaviour, harassment or sexual harassment of Drive participants and others.
- All Participants must be within the legal Blood Alcohol Concentration (BAC) limits when driving and note which type of licence they have as BAC limits differ depending on licence type. The standard BAC in Australia is 0.05.
- The event team ensures a supply of breathalysers that Participants can access to ensure all persons are driving under the BAC limits at all times. All Participants are encouraged to check their BAC before every drive.
- All Participants must treat all other Participants and members of the broader community with respect, courtesy and avoid all types of abusive language and behaviour at all times.
- All staff and participants should notify Risk Manager - Shane Nelson immediately of any inappropriate behaviour, incidents that they feel are dangerous or could lead to an adverse outcome and/or dangerous driving during the event.
- Should a Participant be found engaging in any behaviours listed in this policy or inferred by the nature of the policy, that participant and their team may be asked to leave the Drive immediately and may be banned from future Daniher's Drive and FightMND events.
- Team Captains are responsible for the behaviour of their team members at all times.
